## CONTACT

Hi,  
I'm Ylenia Forza and I'm an environment artist.  
I usually work in semi-realistic/stylized settings and my strength is to convey emotion.  
I work with consistency and commitment and I'm eager to learn new skills every day.

# YLENIA FORZA — PROJECT — RADISH CITY

*This city is located in a fissure in the ground caused by a heavy rainfall. The inhabitants are born from the soil, they are big and strong as ants! What humans consider trash, for them is building material for the village.*

*They found scraps and discarded items with which they designed their houses.*

# YLENIA FORZA — PROJECT — MAGIC ACADEMY

*This is the interior design project of a secret room located in the magic academy. Inside, it contains manuscripts, potions, and everything necessary to practice dark magic.*

*Therefore, access is only granted to the headmaster of the institution.*

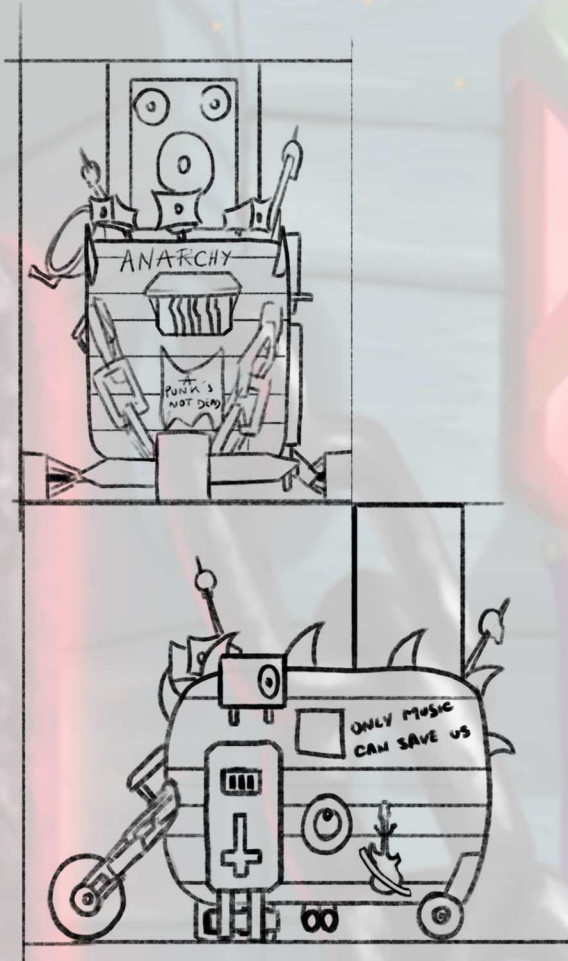

*Software used: Photoshop*
